Biodegradable Paper Cups

Our Biodegradable paper cups are screen printed to provide a high quality, sharp image, with heavy ink coverage.

Eco-friendly, biodegradable paper cups. Corn based PLA lining is environmentally friendly. Cups are 100% compostable in municipal and commercial composting facilities.

Custom printed biodegradable cups are normally printed on the blank white cups with "ecotainer" logo at the bottom. Custom printed cups can also be printed on leaf design background, please specify in your order.

100% Made in the USA.

Drinking Cups & Lids

Pricing includes a 1 color imprint, 1 or 2 sides. Full wrap available, call for pricing.
